Mr. Ernest O. Boone,  
Dunbar School,  
5515 E. 36th Street,  
Kansas City, Mo.

My dear Ernest:

On my return from a trip to Tennessee I have received your good letter and I am very glad indeed to write a letter to the Governor in your favor, because you have certainly made a good record — one that Pike County is proud of.

All the boys here are fine. William Forgey is now living in Chicago.

I hope the enclosed letter will be of assistance to you in securing the position you desire.

Sincerely,
