Office No. 15689

Third Class

I

UNITED STATES POST OFFICE

Madison, Missouri

Laura Frances Davis, A. P. M.

February 1, 1936.

Major Loyd Stark,
Louisiana, Missouri.

Dear Major:-

Have had several young men in this county and, counties north of here, that are interested in organizing Stark for Governor Clubs, if I can be of any help along this line will be glad to do so, as I think this would be best to handle this county with a young men's Stark for Governor Club, as this is not a Pendergast county and the Young Democrat Club in this county has never been able to put any thing over and, in my mind will be best for you not to have your campaign in this county handled by a strong Pendergast man and , I think a young men's Stark for Governor can do the job, just pick a live wire in each town and let them do the job.

Enclosed find a copy of a statment made by workers on the old relief setup that looks bad one to mea nd , dont think would be best for any that had any thing to do with it pushed to the front in your campaign. Do not say any thing about this, a leader in Paris asked me to pass this on to you so you would know how to handle, as your friends in this county want to See you started right.

You may return this statment to me as soon as you read same. I do not want to see

these boys have any trouble over this but it sure looks bad if the thing is pushed, there is a number of these statments been made on the following parties.

W.W. Eubank

Fred A. Thompson

Emmett S. Finley.

Harry Baker Atterbury.

Major, any time can be of any help to you let me know.

I am sure this time next year can call you Governor.

Your friend,

Harry B. Davis

P S Expect you will have a hard time reading this as I am not so hot on this typing.
