Dear Ruby:

On my return from St. Louis, where I have been spending a great deal of my time with Mrs. Stark and the new baby, I was very glad to find your letter of the 28th.

I am glad Mr. Kemper took a personal interest in you and that you landed on his preferred list, I am also delighted to have the confidential information you received from Mr. Kemper's secretary. I have felt he was a good friend of mine - politically and otherwise.

Thanks for the news from Elsie. I think Larry will be 100% for us.

If I hear of anything, or can think of anything, I will let you know.

With best wishes for a Happy New Year, I am

Sincerely yours,

LLOYD C. STARK.
