

c/c Major Lloyd C. Stark

March 18, 1936.

Mr. Charles L. Aylward,
Columbia National Bank,
Kansas City, Missouri.

Dear Mr. Aylward:

Your good letter of March 17th with enclosed check of Wm. Anderson for \$75.00, duly received, and we are writing Mr. Anderson in care of Public Service Commission at Jefferson City, in acknowledgment of his contribution which will be credited to Kansas City.

I feel sure that Judge Headerson and Mr. Howell will come through in due time, so it is not necessary to push them.

I am glad to hear that Mr. Fred Todd of Nevada has about \$150.00, and will, no doubt, obtain more. We have letters from Mr. Claude Earp and others in Vernon County speaking very highly of Mr. Todd.

Next week I will send you a revised list of County Chairmen in the western part of the state, and a suggested form of letter which you can alter to suit yourself, and send out to them over your signature. I think this will help to encourage them.

I saw Major Stark this morning and he told me of his very pleasant trip to Kansas City, and his conversation with you and the two Jims and Mr. T. J. Pendergast. We are receiving very favorable reports, and I think all we have to guard against from now on is over-confidence, and the pulling of boners, which we will certainly try to avoid.

With all good wishes, I remain,

Yours very truly,

W. K. LEDBETTER, SECRETARY.
