

COPY OP THIS LETTER SENT JIM PENDERGAST & JIM AYLWARD

April 1st. 1936.

Hon. Thomas J. Pendergast,
5650 Ward Parkway,
Kansas City, Mo.

Dear Col. Pendergast:

I understand from Mr. Orin Shaw that he talked with you recently, while in Kansas City, relative to Labor matters.

If, in your judgment, April 10th would be a good time for me to meet the Kansas City Labor leaders, I would appreciate it if you would communicate with your friend, Mr. Jess Rogers, and see if he could arrange for me to meet them at about two o'clock, on the afternoon of Friday, April 10th. It is my understanding that Mr. Shaw has already discussed this matter with Mr. Cliff Langdale of your city.

All reports we are getting from outstate continue to be very satisfactory. According to present plans. Mr. Bouchard will open headquarters in Jefferson City on May 4th, and I will open our Primary campaign in Fayette on May 20th.

If you have any suggestions at any time, please let me know.

With personal regards, and hoping to be remembered to Mrs. Pendergast, I am,

Sincerely yours,
LLOYD C. STARK.
