St. Louis Mo

Dear Mr Stark,

My Auntie from Hannibal Mo says you have always been an honest man & I am sorry you are turning in your middle ago, of course you can not be honest & run for Gov. under Pendergast, we know you cannot answer Barrett when he asks you to join him in asking Roosevelt for an honest election for if you did Farley or Pendergast gang would kill you like they did Stanley Long but you can refuse to run for Gov. & so save your soul from hell – Mary Manning
