Marshall Mo

Friday

Dear Major:

Took in Pettis, Benton and Hickory Counties today-

The underscore checked & written by W. N. White (Post Master) Warsaw. Same condition that I wrote you that would swell Hirth vote in Saline County primary. Not the case in counties where Rep. are having a hot primary fight amongst themselves, rather in counties that are top heavy democratic or republican. You have a better setup them. Francis Wilson should carry every county in good old Mo. W. N. White Hickmans etc sends best regards. Also John Collins, Jolly and Pettis County boys. Have a layer county wind up here tomorrow. The M.F.A. boy are certainly slinging the mud.

With best regards to you and lovingly.

Won't be long now
