Attention Miss. Powell.

Hon,

I am going to S.E. Missouri Saturday morning having a meeting there Saturday night Sunday & Monday night.

I want you to write me a letter stating that if you are elected Governor you will be Governor of all the People of the State of Missouri Regardless to Race or creed or color.

[page 2]

I just want to read it at each meeting this will be a big help.

Yours for success,

Arthur Foster, Secretary
