Mr. F. X. Teasdale,
State Hospital No. 4,
Farmington, Missouri.

Dear Mr. Teasdale:

Thank you so much for your letter of congratulations. It was most thoughtful of you to write me, and I appreciate it more than I can say.

As you know, the State Committee will have charge of my itinerary during the fall campaign. However, if I am in Farmington at any time, I shall be delighted to meet the parties to whom you refer.

Our hardest work is just ahead of us, and I am depending on all my good friends to keep up their untiring efforts until the polls are closed on November 3rd.

With kindest personal regards, and with every good wish, I am,

Sincerely yours,

LLOYD C. STARK.
