Major Lloyd C. Stark

Louisiana MO

Dear Friend,

I could not get over to Ironton MO but wrote a friend of mine there & asked him to feel some of the Boys out on the next candidate for Gov. He wrote me yesterday saying they were waiting for Boss Pendergast to name his name & they were for him. He also said they seemed to feel that it would be Mr Murray best I hope it will be Major Stark, now this is strictly confidential. If I can be of any assistance dont hesitate to tell me. Sincerely your friend.
