Mr Lloyd, C. Stark.

Louisiana Mo.

Dear Major,

As it has been several week's since I last received a letter from you, I thought I would drop you a few lines to let you know how things were progressing up in this corner. I have been just here and there in 5 counties since our opponant made his mad rush on our friend Thomas P over at K.C. and announced he was going to put the capitol back in Jefferson City. I have found out that his coming out has really strengthened you in some localities and hasnt did you any harm in others. it has come up over this M. F. A. of dissatisfied members and what he has done to them in the past. I was talking to one good friend

Warren Roberts over at Chillicothe last week he say's every where he has been and all he has talked to has been Stark for Governor, so it seem as if we are headed for victory. I have an Idea of my own that will strengthen things greatly in the North west ¼ of the State if I can get support. I am going over to K.C. in a few day's and see our "Big Boss" Mr T.J. he can put it over, if I can get him to see it like I do. I have been elgible for this place for many month's and it is open. all I need is for him to say the word and then I am long gone. the sooner I can get started the better. if you were here where I could talk to you I could explain it, and I know you would give me all your strength on it. Now any time I can be of assistance to you in the Future dont fail to let me know, for I will be waiting to hear from you. hoping I will see you in the near Future.

I am yours Truly
