Kansas City MO

Mr Stark

Why dont you look into this W.P.A. work in the first place they have twice as many people working in offices than they need and three or four in one family women that have husbands working and widow women cant get work. What is this relief for any way: Just for the wealthy, that is the way it seems.

[MS. illegible] the woman in charge of the [MS. illegible] gets drunk and every thing else. it does look like we needy folks could get justice. This should be investing –over
