

Kansas City, Mo., 8/17/36,
3214 Olive Street.

Mr. Guy B. Park,
Jefferson City, Mo.

Dear Governor:

We, the undersigned, earnestly enter our protest against the rotten and unDemocratic political condition now existing in Kansas City, Mo.

As the chief executive of the state you must be cognizant of the facts and we respectfully request you use your office and authority to purge this city of the thugs, hoodlums and gangs of lawbreakers that run rampant, unrestrained, terrorizing and intimidating honest citizens who are attempting to exercise their right of franchise.

My dear sir, something must be done now that we may not have a recurrence of the massacres that occurred here last election.

Sincerely yours,

Fred D. Fowler,

Mrs. M. E. Fowler
