Mr. Guy B. Park
Jefferson City Mo

Dear Sir

I have voted the Democrat Ticket for practially Fifty Years.
And I Dare tell the Truth, When I say I have never Voted for Any Man With out he was on the
Democrats Ticket. But the way these elections are being Run is a shame and Disgrace to K.C. the
Democrat Party and the State of Missouri
And these Men you Appointed as Election Commissioners should be Removed from their offices
and with out you Remove them your Certainly will be held Responsible for their Crooked Deals
And I expect to do every thing in My Power against them and the Democrat Party from now on

Yours Truly
