Mo Aug 4- 1936 also ask for the removal of the Election Commissioners and election judges & clerks in all the precinct and a punishment of the guilty parties of fraudulent practice of the election held Aug 4 – 1936. You are not unmindfull of the fact that the Hon. Joe Shannon and Sheriff Bash as well as Judge Henderson has uncovered plenty of evidence in the 12th Ward Hoping you will give this your earliest attention and make it safe for people to vote their centiments and not a sladed tickets Thanking you in advance for any favors you may show
