My dear Friend:

I am very much interested in seeing that the state of Missouri gets enough votes for Honorable Edward H. Winter on November 8th, and I am taking the liberty of addressing you because you know I have fought your battles and I am still fighting them.

Governor Winter is a friend of Optometry and that is why I am asking you to get 10 members of your family and friends to vote for him on November 8th.

There is no question in my mind but that he is better qualified for the high office of governor of the State of Missouri and will conduct the affairs of that office to the best interests of all the people, regardless of politics.

I know that a great many of you ordinarily vote the Democratic ticket but for the sake of electing a man who is not hand-picked or controlled, I am asking you to respond to this cause.

It would give me a great deal of pleasure to receive a post card from you stating that you will help.

I hope this will meet with your approval and that you will do your utmost for our cause.

Sincerely yours,

OLIVER ABEL.
