Mr. Sam O. Hargus,
Secretary to the Governor,
Jefferson City, Missouri.

Dear Sir:

A few days ago, I wrote to Governor Park with regard to the selection of my firm for auditing the books of the State Departments and Institutions, referring him to James M. Kemper, President of the Commerce Trust Company, and to Shouse, Doolittle & Morelock, of Kansas City, Missouri, as to my ability and star[MS. torn]

Enclosed is a letter of testimony from Jerry F. Duggan, a member of my American Legion Post, who as Adjutant of the Missouri Department knows of my work also.

Associated with me, is my attorney and cousin Benjamin E. Bush, who is a member of the Pendergast organization in Kansas City. We have the assurance that we can secure letters of recommendation from Fred Bellemere, James P. Aylward. W. T. Kemper, and J. Z. Miller Jr. whenever it becomes expedient or advisable.

Any attention, Counsel, or advice you may render in the matter will be highly appreciated.

Yours truly,
