Governor Guy B. Park,
Jefferson City, Mo.

Dear Governor:

I was down to see you Thursday but everybody had gone to the Fair.

I am going out to Colorado for about a week and I just wanted to remind you about Leo Fox of St. Catherine in the Oil Department.

He is recommended and endorsed by Anna Watson of Marceline who is one of our most ardent and loyal supporters.

I understand that there is a vacancy on the State Board of Health. If there is I wish you would remember our Dr. Bourke.

I have had numerous calls in the last day or two from some of our prominent merchants here in opposition to the Sales Tax.

I will be down for the Legion Convention and will drop in to see you.

Yours very truly,
Jim Pendergast
