Hon. Guy B. Park,
Governor of Missouri,
Jefferson City, Mo.

Dear Governor:—

In regard to the Kansas City committee matter I brought to your attention last Friday, I have just had a telephone call and requesting that I get in touch with you at once and let you know that Mr. Pendergast would like to have you call him immediately, if possible, at Grand 1131.

Lest you forget, I beg to call your attention to my recommendations for the Republican members of the Jackson county election board. They are Jesse Martin, a merchant in Independence, and Harvey Roney, a lawyer living in the county. Both, I feel confident, will meet the approval of your Kansas City friends.

Respectfully yours,

Charles U. Becker
