Mr. T. J. Pendergast,
1908 Main Street,
Kansas City, Missouri.

Dear Mr. Pendergast:-

Sometime ago I sent you a list of the employees of the State Highway Department in the Jackson County Division and requested that you have then checked up to find who were Democrats and who Republicans. If this has been done, I would be glad to have a copy of the list and later go over it with you with a view of making such changes as might be necessary and proper. I also have St. Joseph list which has been returned and checked as nearly as possible.

With kindest personal regards and best wishes, I am,
Very truly yours,

Governor
