Governor Guy B. Park,
Jefferson City,
Missouri.

Dear Governor:

I would like to have Walton Holmes, jr. appointed to fill one of the three vacancies on the University of Missouri Board of Curators.

Mr. Holmes' class at the University was 1909. In 1924 he was President of the Kansas City Alumni Association and has been most active in promoting the University in every possible way in Kansas City. The appointment would be one that would please the Missouri Alumni all over the country and also our Democratic party. Mr. Holmes has been active in local Democratic circles here and is still a member of our Organization Committee. He is interested in educational work and athletics and is one of our successful young business men in Kansas City.

Yours very truly,
T. J. Pendergast
