Kansas City, Missouri.

My dear Mrs. Pendergast:-

On yesterday Mr. Pendergast requested that I send him a copy of ray statement when I removed the Election Commissioners in Saint Louis, for that reason you will find it enclosed.

I hope my visit resulted in no harm to Mr. Pendergast and I was delighted at the privilege of seeing him.

Hoping that he will continue to improve and with kindest regards for yourself and all the members of the family, I am,

Very respectfully yours,
