Kansas City, Missouri

Dear Jim:

This will acknowledge receipt of your letter concerning appointment of a successor to James and recommending Mr. Cohn.

I happened to be in Kansas City yesterday and discussed this and some other appointments with your Uncle, and it was concluded that it would be best, as these appointments have to be confirmed and can be withdrawn by Stark, to first consult Stark. Before making the appointments, I will tell him your wishes in the matter.

With kindest regards and best wishes for you and your family, I am

Very truly yours,

Governor.
