Dear Governor:

This will acknowledge receipt of your letter of November 7th with enclosed letter from Pierce Boydston of Dearborn, Missouri.

I am writing Mr. Boydston to come to my office so I may discuss the possibility of finding him a position in our organization and if it is at all possible, I will work out a plan for him.

I also wish to advise you that Mr. Thompson of Holt county has been taken care of.

Your letter brings to my mind the statement you made in regard to your administration at the time you took office that "If my administration is successful, another Democratic administration will follow". The recent vote certainly was an approval of that statement.

With kind personal regards, I am

Yours very truly,

N.R. Aldrich
