State of Missouri
Jefferson City, Missouri

Dear Governor Park:

A few days ago my brother-in-law, Mr. Fred Wallace, called on you regarding preliminary plans for state work under the United States Construction Act. He is an architect and perfectly capable of preparing any preliminary plans that you may desire. He designed the hospital for Jackson County and the Independence Court House. I will appreciate any consideration that you feel inclined to give him.

Respectfully yours,
Harry S. Truman
