Hon. Jerome Walsh,

Kansas City, Mo.

My dear Jerome:

I am sorry I did not get to talk with you while I was in Kansas City. I have not heard from your father for over six weeks, although I have written him several times, and I am afraid he is ill. Please let me know about this.

I should also like to know any information you have concerning what the attitude of Reed and Pendergast will be in Chicago, and what you knew about the purpose of the Reed dinner in St. Louis Saturday night. Please let me hear from you.

Sincerely yours,

EYN:JR
