WASHINGTON

March 26, 1934.

Mr. E. Y. Mitchell,  
Assistant Secretary of Commerce,  
Department of Commerce,  
Washington, D. C.

Dear Mr. Mitchell:

Receipt is acknowledged of your letter of March 24, 1934, inquiring as to whether or not Mr. T. J. Pendergast has been issued a permit to operate a distillery at Kansas City, Missouri.

In reply thereto you are advised that under date of January 26, 1934, permit to rectify distilled spirits, No. R-200, was issued by this Administration to the Pendergast Wholesale Liquor Co., 2101 Central Street, Kansas City, Missouri, but this concern does not hold a distiller's permit.

Very truly yours,

R. E. Joyce  
Acting Head Permit Division
