A. Ross Hill, General Manage

Dear Mr. Mitchell:

My friend, Col. Fred Whitten, is sending you the enclosed letter on behalf of his fraternity friend from Kansas University and suggests I wrote a vote to serve as a sort of introduction to you. Incidentally Whitten is keeping up the fight on the local machine by campaigning for Milligan, really against Truman.

Johnnie Lazia was shot at 3 A.M. today and is not expected to recover. Evidently there is still trouble among the [MS. illegible] followers of Pendergast. This incident will not help Truman. What a pity that we dont have some outstanding man as candidate for the U.S. Senate!
Cordially yours, A Ross Hill
