Hon R. F. Lozier,
Washington, D. C.

Dear Mr Lozier:-

I am at this time in need of a friend and I am depending on you.

Since K.C. police dept is in hands of Home Rule I am afraid of losing my job. I have been talking with some of my friends and they have advised that I get a letter of recommendation from you. If you can do this for me

[page 2]

please write the letter to Mr. T. J. Pendergast but mail same to me so I can take the letter to him. Please be sure and do not mention the fact to him that I have ever been a Republican. Your letter will be worth a great deal to me and I will greatly appreciate anything you can do for me.

Very respectfully,
Lewis Goodson

Please write letter at once as my name is on list for investigation, subject to be dropped.
