THEODORE GARY,

CHAIRMAN OF EXECUTIVE COMMITTEE

Mr. T. J. Pendergast,

1908 Main Street,

Kansas City, Mo.

Dear "Boss":

I congratulate you on the successful termination of the Bond Campaign.

It is a great vote of confidence in the "powers behind the throne".

I have often said that Kansas City had the best "Boss" of any city in the United States. I don't think I have ever said that to you, but want you to know that is the way I feel about it.

At any rate, all concerned who took an active part and those who were less active but passively in favor of the forward movement have a right to feel greatly encouraged for the future outlook for Kansas City, since it is a deliberately planned movement receiving the best judgment of One Hundred or more of our outstanding citizens.

Very truly yours, Theodore Gary
