Honorable T. J. Pendergast,
City.

Dear Tom:

I presume you know the bearer of this letter,- Tom Swope. Swope is a nephew of Thomas H. Swope, who gave us our magnificent park. I have always felt for that reason the Swope family had some unusual claims on Kansas City.

Tom is in the dairy business, and wants to have a chance to furnish milk to the City Hospitals. I understand that he has a fine herd, and has a good quality of milk.

If you are in a position to do so, I should be very glad, indeed, if you could give Swope consideration, and, at least, some business.

Cordially yours,

S
