Mr. William A. Kitchen:

Dear Bill,

I am calling your attention to our talk at Oseola, Mo, Sunday in regard to City Sub. Carrier here at Greenfield.

I received my grades from the examination and they said my name was first on the register.

I am very anxious about this because I think maybe

The carrier is going to transfer and that would probably give me the first job, or his place, with a sub. under me.

If you can help me out any on this, I certainly will appreciate it very much.

Please let me hear from you.

Very Truly yours,

P.C. Carlock
