Dear Bill:

I appreciate very highly your letter of the Twentieth and I am very thankful for your suggestions about the State Committee.

I was particularly pleased to have McDaniel's reaction to suggestions which you made to him. I think he is a most sensible man and that we will be able to work with the situation in a much more satisfactory manner than we were able to do with the last Governor.

Hope to see you the next time I am in Kansas City and discuss the whole situation.
Sincerely yours,

Harry S. Truman
