February 17th, 1922.

Mr. Harry S. Truman,  
104 West 12th St.,  
City.

Dear Mr. Truman:

Henri Warren called me a few moments ago and said that you requested some cards for Democratic Union, which I am enclosing herewith.

A short time ago, you suggested some names and it seems to me that I returned the cards after the names were approved by the Executive Committee, with the request that you get the cards signed. I have not received the signed cards, but would like very much to receive them.

You will probably get a notice by the same mail that you receive this letter, of a meeting Tuesday evening. I am very anxious to have all of the members of the Membership Committee present at that meeting. Please arrange to be there.

Yours very truly,  
W. F. Woodruff
