Judge Nelson E. Johnson

Division # 4,

County Court House

CITY.

Dear Judge Johnson:

I received your letter of October 27, 1924 and had made up my mind to vote for you.

This morning, when I read of your attack on the county court It caused me to change my mind. Perhaps the court was in the wrong in its controversy with you and the other judges of the circuit court. However, the general conduct of Judges McElroy and Truman, has been such that I am more interested in their re-election than in that of any other candidate, not excepting my life-long friend, Arthur Nelson.

Yours truly,

Porter T. Hall
