

SHANNON C. DOUGLASS

DWIGHT BUILDING KANSAS CITY, MISSOURI

May 26, 1941

Senator Harry S. Truman, United States Senate, Washington, D. C.

Dear Harry:

I am advised that the new Airport site lies between Grandview and Greenwood. Those that I have talked to seem to favor the Grandview site and have asked me to call the matter to your attention.

I would appreciate any information you can give me so that I can pass it on to our friends.

With kindest personal regards, believe me
Sincerely Shannon
