Washington, D. C. May 22, 1941

Honorable L. P. Cookingham, City Manager Kansas City, Missouri

Dear Mr. Cookingham:

I will be pleased of course to do anything I can to help on the airport situation.

We are trying to get all the information possible on it, and as soon as we set any valuable information to send you we will keep you informed.

I think you are right to immediately go after the land for this airport.

Sincerely yours,

HST:MLB

Harry S. Truman, U. S. S.
