

10th Ward Democratic Club, Inc.

GLADSTONE HALL

ST, JOHN AND ELMWOOD

KANSAS CITY, MISSOURI

FRANK E. MCCABE, EXECUTIVE CHAIRMAN ARTHUR A. ALLEN, SECRETARY
CLUB MEETS FIRST AND THIRD THURSDAY EACH MONTH

August 1, 1940

Dear Friend:

The August 6th Primary election is close at hand and we feel that you may desire to learn something more of the candidates who seek the various Democratic nominations.

Officers and precinct captains of the Tenth Ward Democratic Club, Inc., which meets at Gladstone Hall, St. John and Elmwood avenues, and the Tenth Ward Regular Democratic Club, 4519 Independence Avenue, after study and investigation, find that all of the Democratic candidates are good citizens and worthy of the offices for which they have filed. However, we feel that certain of the candidates will add definite strength to the Democratic ticket in the fall election, and largely for that reason, we, as the Tenth Ward Democratic Clubs, have decided to support those certain candidates. They are indicated on the enclosed sample ballot, and we suggest that you retain this ballot for reference when voting on Primary Day. You are permitted to take it into the voting booth with you.

We are sending you these suggestions and political information in all fairness and sincerity, and in the belief that our course is the best for the party's welfare and success.

Thousands of our Democratic friends have met with us at our card parties and socials at Gladstone Hall, and we desire you to know that our Clubs are functioning and will continue to function as an active Democratic force in this ward.

We earnestly and respectfully ask you to support the candidates indicated on the enclosed sample ballot, and urge you to vote early on Primary election day, August 6th.

Yours very truly,

Precinct Captain,

NOTE: Take this Sample Ballot into Voting Booth with you as a guide.
