Senator Harry S. Truman Senate Office Building Washington, D. c.

Dear Senator:

I have some friends here engaged in the wholesale radio distribution business. They have heard by the "grapevine" that rationing of this commodity would be commenced shortly.

It would be greatly to their advantage of determine if this is a fact, and if so, about when the rationing would begin.

I would appreciate your making some effort to find out from Henderson's office just what the situation is.

With warm personal regards, Jim Pendergast
