VALENTINE PARTY THURS.
AND NOW COMES THE SIX MINUTE BIKE RACES

Another Novel Attraction For El Torreon

New and Novel attractions are what we prescribe for El Torreon patrons. You've seen the DERBY, -now you'll see another racing event known as the Six Minute Bike Races. Sunday afternoon, February 17th has been decided upon for the first of the bike races. We want ten good bicycle riders to enter this great race at once. Don't be bashful now. If you think you can move your pedal extremities fast enough to get in the lead, register your name and address with a floorman or at the office. The time to do it is NOW!

There will be no increase in prices for this matinee. The big dancing party of the 400 Club will go on just the same and the price of admission will be twenty five cents to all. Remember the date. It is Sunday afternoon, February 17th. As fast as the entries are registered they will be posted in the ballroom so that you may pick your favorite.

Ralph Wants to Set You in the Grill. Step in any time and enjoy a sip or a bite. You'll like it!

DANCE SATURDAY FEB. 16th

ANOTHER DOUBLE HEADER AT THE RACES

We are not going to let Valentine Day interfere with Derby Day at El Torreon nor are we going to let the Derby interfere with the [MS. illegible]. You can imagine all the fun you'll have at the races with a big Valentine Party thrown in with it all.

There'll be a valentine for each of you and whether it be a heart or a comic we can't tell. We'll have a lotta fun though, what with the contest of numbered valentines and all. It's too long to tell about here so we won't go into detail but you just know you'll get a big kick out of the party. Don't you always enjoy the parties at El Torreon and aren't all the big ones which are held on Derby nite especially good? Everyone tells us they are!
