ELECTION DANCE

Tues. Nite

Get the returns while you dance at El Torreon!

"Red" Nichols

One of the greatest trumpet players in the world comes to El Torreon for Special Engagement

Probably one of the greatest dance aggregations in the county today is "Red" Nichols and his Five Pennies. They have made more records than any other dance orchestra. This five piece combination will be featured Sunday nite, November 4th, when Red Nichols and his eleven piece Brunswick Recording Orchestra play El Torreon. The orchestra is on its way to Los Angeles and El Torreon was given the opportunity to book them en route for one nite only. This is the only dance engagement they will play in Kansas City and you had better not miss the opportunity of hearing them.
