Honorable Sam M. Wear 824-26-28 Landers Building Springfield, Missouri

Dear Sam:

May I express my sincere appreciation for your good letter of August 10th, regarding my nomination.

I really had a hell of a time, and my candidacy was opposed by the political prostitutes, gamblers, the city administration and the Kansas City Star; however, I did finish with a respectable majority.

I knew that many friends in Greene County were pulling for my success, for which I am most deeply thankful. I sincerely hope that you will thank them for me.

Please let me know the next time you are in Kansas City.

With kindest personal regards, I beg to remain

Sincerely yours,

Granville A. Richart
