Dear Jim:

Answering your letter of the 31st instant relative to funds requested, will state I do not have any information about the other counties, but the only money received by our county was \$200.00, which you wrote me about some time ago that was sent to the County Chairman for the Democratic Veterans Club that was given to then for a barbecue when Senator Truman and Senator Josh Lee from Oklahoma spoke here.

That was money well spent, there is no question about it. That was quite an event. But we are going to need \$500.00 or \$600.00 for the last few days of the campaign, and especially the last day. We have some money but not enough to fill out and if you can send us some money it is greatly needed and will be appreciated very much.

Kindest personal regards, I am

Sincerely yours,

Sam M. Wear
