

1. What is a forum?
2. Should a club pass resolutions on public questions? If so, should the result be sent to our law makers? Is such action important (the passing of a resolution)? To whom? The public? The club?
3. What preparation should be made by the club for such action? By the individual members?
4. Should previous notice be given of the date when a resolution is to be considered? If such notice is to be given, who is responsible for the attendance or otherwise of members?
What percentage of our citizens voted in the last presidential election?
5. How would you like our "Forum" hour to be used? For entertainment?
For the presentation of cultural subjects? For a better understanding of our social problems? How should the last be presented?
